Welcome Back Parade '97

Catch the Spirit of the River

The Welcome Back Parade was held at the Start of the Fall Semester. It was a fun-filled time of food, music and entertainment. It was also a good time to sign up for several clubs and organizations on campus, as well as be entertained by The Spirit of the River Marching Band, the String of Pearls, the PRCC Cheerleading Squad, and own loveable W.C. Rivers (the wildcat).

Fall Fest '97

Pearl River's annual Fall Fest was held Thursday, October 9, 1997, on the Poplarville campus and fun, food, music, and school spirit hit an all time high. Students were treated to delicious food and entertainment from the likes of the Afro-American Cultural Society's choir, the 'Spirit of the River' marching band, the String of Pearls and the PRCC Cheerleaders. It was a fun filled day that will long be remembered.

FALL

The second-annual Fall Games were held September 4 in M.R. White Coliseum. Lunch was served to students, faculty, and administrators as they watched the hilarious take-off of the Olympic games. Eleven six-members teams participated in the games. Participants competed in four areas, including the tennis ball relay, ping pong relay, basketball shoot and leap frog relay. The three finalists competed for the "championship" in the tricycle relay — an event which emcee Dr. Tom Thoms called "a test of strength and endurance."

GAMES

Fall Fest was held at the Forrest County center in Hattiesburg on Wednesday, October 29, 1997. It was a fun filled day of food, music, games, and a Halloween costume contest. The highlight of the day was the 3,251 food items raised for the Salvation Army's food drive. Taking top honors was the Medical Laboratory Technician Program with 2,025 items. Dental Assisting placed second and Surgical Technology placed third. Dental Hygiene, Physical Therapist Assistant, Occupational Therapy Assistant, Electronics Technology, Practical Nursing, and Office Systems Technology. Costume contestant winner was Linda Daniels of Hattiesburg. Dental Assisting and Dental Hygiene teamed up to be the overall game winners.

Homecoming

Homecoming '97 was a memorable one. Even with the week-long threat of rain, lighting and tornados, the River Spirit never dampened. Thursday night was the Bonfire/Pep Ralley and the Homecoming Dance. On Friday the skies cleared long enough to have the ever-so-popular Homecoming Golf Tournament.

Pearl River Community College Becomes 'Role Model' With Opening of Nursing and Wellness Center

By coupling wellness with nursing in a state-of-the-art facility Pearl River Community College becomes a 'role model' for other colleges here in Mississippi and the region.

That's the view of Mississippi Senator Thad Cochran who delivered the dedication address to officially open the college's $3.7 million Nursing and Wellness center at the Poplarville campus Tuesday, August 12, 1997.

Senator Cochran said the opening of the facility marks a new era in training health care professionals.

This is an innovative approach to health education and healthy living," Cochran said "That's going to set this campus apart and make it a role model for all others in Mississippi."

Cochran, along with other local and county government officials, participated in the dedication of the facility, which houses disciplines of health, physical education, recreation and nursing.

"This center is an example of what we can build to expand education on how to live healthier lives and on the importance of early detection of health problems," Cochran said.

The new facility is expected to immediately increase the associate degree nursing enrollment by 30 percent within five years.

We crawled, we walked, and now we are ready to run," said Peggy Dease, PRCC's nursing director. "We now have a teaching/learning facility where we can use the increasing technology that we have in health care today."

Besides housing classrooms, offices, labs, auditoriums, and a video-conferencing studio for the nursing program, the facility includes an indoor walking track, stair-climbers, stationary bicycles, aerobics room and weight training machines in the Wellness section.

"The wellness program is an educational program that teaches our students, employees, and members of the community about the five components of wellness — physical, social-health, intellectual growth and development, emotional, and spiritual," said Melanie Morris, wellness director.

The Wellness Center will be open 8 a.m. to 9 p.m. Monday through Thursday and 8 a.m. to 6 p.m. on Friday. To have access to the facility, students, faculty, and community members must be enrolled in at least one of the four classes offered.

John Anderson of Columbia, chair of the PRCC Board of Trustees, said the opening of the Nursing and Wellness Center was a special event in the history of the college.

"This demonstrates the tremendous growth of Pearl River College," Anderson said. "PRC is the first junior college and we remain first."

Charles Speed, a Jefferson Davis County representative on the PRCC board, said he was glad to see the center off the drawing board. "We have been a long time developing this project so we're awfully proud to see this major accomplishment which will mean so much to all the students within our six-county district."

Poplarville Mayor Billy Speirs said the facility is a prime example of hard work and dedication. "Pearl River is vital to our community in so many ways," said Spiers. "This is a major accomplishment for the college and the community."

Berlon Lee of Columbia, former chair of the PRCC Development Foundation gave the benediction and commented on the accomplishments of the nursing program and the vision of PRCC president Ted Alexander.

President Alexander said research for the new facility began about 10 years ago. He thanked state and county officials and private contributors for their help in funding the construction of the unique center.

Perk Week '97

Perk Week at the River was a blast. Billy Temple, Director of Student Activities for PRCC, did a good job at planning and executing the week long build up for one of the biggest rival football games in the state of Mississippi (which the Wildcats won in case you have not heard 61-55). Some of the activities that went on around campus were the water fights on the intermural field, the new tradition of jumping in Wildcat Pond (the one behind M. R. White Coliseum), and the blow up boxing ring. When asked about how Perk Week went Temple replied, The students had a really good time this year, but we are planning bigger and better activities for next year.

Students Turn Out for Worthy Cause

How's it goin Emily

Shannen Smith

Pearl River Community College's Baptist Student Union (BSU) hosted a Blood Drive Wednesday, October 8 at the BSU Center.

PRCC usually hostes the United Blood Services (UBS) drives about twice a year and drives in past years have been huge successes. Some 160-180 students turned-out for the October 8 drive and UBS proudly added another 75 units of blood to its supply from those donors who qualified.

Colleges are usually great locations for drives, said Darla Arnell, assistant donor supervisor for UBS. "We like for college students to donate because they generally have healthier blood. College students are also eager to participate in drives. She noted some are nervous about donating for the first time.

We always explain the procedure to the student who come in . . . it helps put them at ease," she added." Most of the people who donate for the first time are nervous because they don't know what to expect."

Arnett said some 20-30 were turned away because of health problems.

If you wish to donate blood, contact United Blood Services in Hattiesburg at (601) 264-0743.

Welcome Home

Head Coach Keith Daniels

THE PEARL RIVER COLLEGE Wildcats enter their fourth season under the leadership of Head Coach Keith Daniels.

Daniels had a long, successful career as an assistant coach on the Division 1A collegiate level before he was hired in early 1995 to succeed Willie Coats. Daniels guided the Wildcats to a 7-3 record in his inaugural season, but saw his freshman-ladened unit fall to 2-8 in 1996.

In 1995, PRCC finished deadlocked in a three-way tie for second place in the Mississippi community college South Division with Copiah-Lincoln and Jones.

Last season, Daniels' Wildcats gallantly battled-back from adversity early in the season to finish 5-5.

On September 13 following the second game of the '97 season — a 24-18 Thursday night loss to Northwest in Senatobia — Wildcat starting tight end Juan Mariner of Oakvale was killed in a one-car accident near Lumberton. The mishap also ended the season for starting linebacker Freddie *(Junior)* White of Lumberton. Another PRCC student, Jerry Williams of Hattiesburg, also died in the crash. Itawamba was waiting in the wings a few days later and Daniels and his staff, in light of the tragedy, pondered whether or not to even play the non-division game. But the following Thursday, *The River* was en route for Fulton to face the powerful Indians. PRCC returned to Poplarville with an emotional 27-21 victory — tagged by Daniels as the *"greatest win"* of his coaching career.

In addition to his head coaching duties, Daniels is also offensive coordinator duties and coaches the offensive backfield.

After graduating from Monticello High School in 1966, Daniels played defensive back for two years at Copiah-Lincoln Community College in Wesson. He then signed to play for Henderson State University in Arkadelphia, Ark., but two knee surgeries in three years ended his playing career and he transferred to Mississippi College in Clinton where he earned his bachelor's degree in 1969.

That same year that Daniels began his coaching career as an assistant at his high school alma mater. Over the ensuing seven years, he spent six years as athletic director and head football coach at state high schools in Jackson, Gallman, and Columbus, compiling a 55-26-1 overall record.

In 1975, Daniels entered the collegiate ranks when he was hired as running backs coach at Rice University in Houston, Tex., but briefly returned to the high school level in Mississippi in 1976 before he began his first of three stints with the Ole Miss Rebels in Oxford in 1977.

As an assistant running backs coach with the Rebs under then-head coach Ken Cooper, Daniels helped guide Ole Miss to a respectable 6-5 overall mark, including a legendary victory in Jackson over Notre Dame. The Rebels were the only team to defeat the Irish that season. Notre Dame was the eventual national champion for 1997.

Over the next three years, Daniels served as offensive coordinator and quarterbacks coach at East Tennessee State in Johnson City, Tenn. (1978, 1979) and the University of North Texas in Denton, Tex. (1981).

In 1982, former University of Southern Mississippi head coach Jim Carmody hired Daniels as his offensive coordinator.

Over the next five seasons Daniels was in Hattiesburg, USM recorded five winning seasons. In 1982 the Golden Eagles recorded a victory over Bear Bryant's Alabama Crimson Tide — in Tuscaloosa — the first on-campus loss by the coach in 23 years.

Daniels also coached Southern Miss' All-American quarterback Reggie Collier, who was the first collegiate QB to rush for 1,000

yards and pass for 1,000 yards in a single season. Collier, who went on to play professionally, finished in the Top 10 in the 1982 Heisman Trophy balloting.

Daniels returned to Ole Miss in 1987 under head coach Billy Brewer and spent two seasons with the Rebs before joining former Mississippi State head coach Rocky Felker's staff in Starkville in 1989 as offensive coordinator.

Following his Mississippi State stint, Daniels became offensive coordinator at Arkansas State University in Jonesboro, Ark., in 1990 and served as interim head coach following the 1991 season. He returned to Ole Miss for a third time in 1992, coaching running backs and kicking units. When Brewer's Rebel coaching career ended following the 1994 season, so did Daniels'. He subsequently pursued the PRCC job and the rest is history.

Daniels is married to the former Charolette Hartzog. They are the parents of a daughter, Sunny, who graduated from PRCC's Associate Degree Nursing Program last spring.

WILDCAT COACHES/TRAINER

Mike Humphreys

DEFENSIVE COORDINATOR
DEFENSIVE SECONDARY

■ PEARL RIVER COLLEGE DEFENSIVE coordinator Mike Humphreys is beginning his 10th season at *The River* and has been with the Wildcat program longer than any other coach.

Humphreys attended Pensacola (Florida) Catholic High School where he was a standout quarterback and baseball player. Following his high school graduation, he attended Patrick Henry Junior College on a baseball scholarship before transferring to the University of Florida at Gainesville, where he earned a bachelor of science degree in physical education.

Humphreys boasts five years of coaching experience in Florida high schools, including two years at Pensacola and three at Woodham. While a Woodham assistant football coach, he helped guide the school to the state Quad-A title in 1982, as well as Florida's runner-up spot in 1985.

Humphreys served two years as an assistant at Nicholls State University in Thibodeaux, La., before being hired by former Wildcat mentor Mike Nelson. Humphreys also worked as an assistant under Willie Coats (Nelson's successor) before current head coach Keith Daniels took over the Wildcat reins in the spring of 1995. He earned his master's degree in administration at Nicholls.

During his past nine seasons with the Wildcats, PRCC has won 55 and lost 36 games, including winning the 1992 South Division title. The Wildcats finished 10-1 that season. Humphreys' defensive units have been a mainstay to the Wildcats' success year-in and year-out. He coaches the defensive secondary and also heads up the PRCC golf team in the spring.

Humphreys is married to the former Stacie Comeaux of Bay St. Louis. They are the parents of three children — Michael, Katie, and Megan.

Mark Anderton

OFFENSIVE LINE

■ MARK ANDERTON ENTERS HIS third season with the Wildcat football staff as offensive line coach.

Anderton arrived at PRCC via Tate High School in Pensacola, Fla., but he boasts nine previous years of coaching experience on the collegiate level. He has served as an assistant coach at Lambuth College in Jackson, Tenn. (1986), the University of Mississippi (Ole Miss) in Oxford (1987-88), and Gardner-Webb University in Boiling Springs, N.C. (1989-94).

PRCC head coach Keith Daniels was also an assistant with the Ole Miss Rebels during Anderton's stint in Oxford.

Anderton earned his bachelor's degree from the University of Tennessee-Martin (at Martin, Tenn.) in 1986. While a student at UT-Martin, he was a standout offensive lineman on the school's football team. He earned his master's degree while an assistant under Billy Brewer at Ole Miss.

Anderton and his wife, Yvonne, are the parents of three children — Katie, Kyle, and Payton.

Brian Saffle

HEAD TRAINER

■ BRIAN SAFFLE BEGINS HIS FIFTH year as head trainer for Pearl River Community College athletics.

Saffle, a resident of Hattiesburg, holds a bachelor of science degree in human performance and sports medicine and a master's degree in sports administration from the University of Southern Mississippi in Hattiesburg.

A native of Gulfport, Saffle is a 1988 graduate of St. John High School in Gulfport where he was a standout football player. He was named to the All-Division 8AA football team and picked-up the division's *"Most Valuable Player"* honors his senior season. He also played in the 1988 Mississippi High School All-Star Football Game.

Saffle was a walk-on lineman at USM in the fall of 1988 and played for the Golden Eagles during their first season under former head coach Curley Hallman. That season resulted in a climactic Independence Bowl bid in Shreveport, La., and a post-season victory for Southern Miss, which defeated the University of Texas — El Paso 38-18 in the contest.

Saffle gave up the gridiron after only one season at USM to pursue his primary interest — sports medicine. He is a certified trainer by the National Athletic Trainers Association, the Southeastern Athletic Trainers Association, and the Mississippi Athletic Trainers Association. He is licensed by the State Board of Health.

Saffle is married to the former Andrea Webb of Picayune, a 1989 PRCC alumnus.

Deke Adams

LINEBACKERS

■ DEKE ADAMS IS THE NEWEST MEMBER of the Pearl River Football staff and will coach the wildcat linebackers.

Adams, a native of Meridian, was a standout outside linebacker for the University of Southern Mississippi Golden Eagles from 1990 through 1994. A starter his junior and senior years, he helped guide head coach Jeff Bower's squad to 7-4 and 6-5 campaigns his final two seasons at the Hattiesburg-based university.

Adams arrives on the PRCC campus by way of Jacksonville State University in Jacksonville, Ala., where he coached the defensive line last season for head coach Mike Williams, a former USM assistant.

Adams was a highly-recruited linebacker out of Meridian High School. He was named *"Play-*

Triumph over tragedy. Few will soon forget the 1997 football season. An automobile accident just outside of Lumberton changed the lives of all who knew and loved Juan Mariner, and ended the promising football career of Freddie White. The pain and anguish experienced by the PRCC coaching staff and players are undescribable. But, there was football to be played. A win in the season opener over Northeast and a tough loss at Northwest had the Wildcats at 1-1 at the time of the accident. The following Thursday, the Cats had a date with the mighty Itawamba Indians. After much consideration, the team elected to play the game in honor of Juan and Freddie. As heavy underdogs, the Wildcats played their best game of the season and gave head coach Keith Daniels the "biggest win of his 29-year coaching career" by a score of 27-21. Other highlights included a pulsating 61-55 barn-burner over arch-rival Gulf Coast and a rain-delayed Homecoming win over East Mississippi. Although the Wildcats lost their final two games to finish at 5-5, the 1997 campaign might be the best coaching job by a head coah at PRCC in decades.

Gone But Not Forgotten

Tragedy struck the Pearl River Community College family Saturday, September 13, 1997, when students Juan Mariner of Oakvale and Jerry Williams of Hattiesburg were killed in a one car accident near Lumberton.

Mariner was a starting tight end for the Wildcat football team. Williams was active in the PRCC Student Support Services — an entity that assists handicapped students around campus. Funeral services were held Saturday, September 20, 1997.

Freddie White of Lumberton, a starting linebacker on the Wildcat football team was critically injured. He was later released from Forrest General Hospital in Hattiesburg.

According to reports from the Lamar County Sheriff's Department, the trio were heading out of Lumberton on Little Black Creek Road around 11 p.m. when White lost control of the vehicle and crashed into a tree. Mariner and Williams were killed instantly, according to county deputy coroner Danny Regal. White was thrown from the vehicle upon impact.

Juan Mariner and Jerry Williams were loved by all that knew them and will forever be missed.

BY SHANNEN SMITH
DRAWL STAFF WRITER

Wildcat *'Chain'* Remains Intact Despite September 13 Tragedy

EACH MEMBER OF THE Pearl River College football team has hanging from their necks a link of a chain, representing each player as a single part of a whole unbreakable chain . . . or team.

On September 13 two links of that chain were lost with the tragic death of Juan Mariner and injuries to linebacker Freddie White in a one-car auto accident near Lumberton, which also resulted in the death of PRCC student Jerry Williams.

But the remainder of the chain remains solidly intact.

Mariner was a 6-2, 200-pound tight end for the PRCC football team. His dedication was not only to the game of football, but to his education, family, friends, and teammates.

After talking with his teammates, you quickly understand their respect and admiration for Juan.

Defensive tackle Corey McDowell said Mariner's death had a monumental impact on his and his teammates' lives

"Juan was the spiritual motivator of our team," McDowell said the week following the accident. "Even though it was hard to get motivated early in the week, we all knew that while Juan wasn't on the field, he was with us in spirit."

Wildcat head coach Keith Daniels said there were many emotional decisions to be made leading into the Itawamba game just five days after the accident.

"In the very worst situations you always strive to look and find anything positive from that kind of thing," Daniels said. "You could always count on both Freddie and Juan to do their very best on and off the field."

Daniels said the emotional 27-21 victory over Itawamba September 18 is the start of the healing process for his team.

White is recovering in Forrest General Hospital in Hattiesburg.

"Freddie is so sedated he hasn't been able to come around enough for the doctors to see just how much permanent damage, if any, there is," said Sherry White, his mother. "We do know that he did suffer severe head and chest trauma."

White, like Mariner, was considered a valuable asset to the Wildcat team.

"Even though Freddie's still in the hospital, he would've wanted us to go up to Fulton (Itawamba), play our best, and win," said teammate and friend Chad Young. "Freddie always made us laugh. It is kind of quiet at practice now, but I'm sure things will pick up soon." September 18's victory at Itawamba was dedicated to Mariner and White. The remaining links of the *"chain"* are still very much intact and the Wildcats will play the remainder of their season as if the *"missing links"* are still there.

***Quiet One's* Death Hits Home**

THE THIRD FLOOR OF HUFF Hall was quiet this week, following the death of Jerry Williams, dorm resident in Room 315 who also died in the crash.

Williams' roommate, Duck Davis, says Jerry was the quiet type.

"Jerry had a very quiet side." Davis said. "He was ver respectful of other people and they were always respectful of him."

"It was the way that he carried himself that people respected."

Shonny Nelson was Jerry's roommate last year. He said it is a shocking experience to lose someone so close to you so quickly. Particularly someone like Jerry who always had the same "goofy smile" on his face.

Williams' close friend Corey Garner says Jerry will be sorely missed.

"It makes you more careful about the things you do. It makes you think. While he isn't here with me in the flesh, he will always be with me in my heart," Garner said.

What happened that September night will never be forgotten. To those who knew Juan and Jerry, they will be dearly missed. White is also missed while recovering in Forrest General Hospital. Attending physicians expect a 100 percent recovery and hopefully, he will be coming home soon.

Hopefully, this tragic accident make a profound impact on everyone on campus. It will hopefully remind you that teenagers are not invincible . . . time will tell.

Curtis injured in the line of duty.

Wildcat Basketball

1997-98 WILDCATS — (In alphabetical order) Thania Aguilar (manager), Jeremiah Branch (52), Chris Carter (student coach), Lin Cater (4), Todd Daniels (10), Chris Hathron (20), Chris Johnson (manager), Chad Jones (55), Daniel Kennedy (33), Wylie Kirdy (50), Danny Lucas (22), Marcus Mackey (32), April Maddox (manager), Teddy Poole (24), Jason Revies (40), Geremy Robinson (30).

Heach Coach Richard Mathis

RICHARD MATHIS LEADS HIS defending state champion Wildcats into the 1998-99 season with 11 freshmen players who will be complimented by only one sophomore in guard-forward Jason Revies of Hattiesburg.

A lack of experience is a first for Mathis, who is starting his eighth season with the Wildcats.

"This is the first time this has happened," Mathis said. "I've never had only one sophomore on my roster and that lack of experience is going to hurt badly . . . particularly in the early going against pretty tough competition.

"We'll be throwing our young into the fire right off the bat and hopefully they won't become too demoralized by a lack of productivity."

Revies (6-3, 160) averaged 11 points and 6 rebounds a game on last year's state title team that finished 27-5 following its 92-81 loss to Northwest Mississippi for the Region 23 Tournament title in Clinton. That loss came just one week after PRCC defeated NWCC 91-86 for the 1998 state crown in Senatobia.

"Jason is the heart and soul of our team," Mathis said. "He's quiet, but has reluctantly accepted the role as the leader of this team. We need that leadership badly."

Revies gained valuable experience last season, while he was surrounded by lots of talent.

"Jason's biggest improvement over the year is his physical strength and his knowledge of the game," Mathis added. "He's finally learned when to shoot and when not to shoot. Jason's just an all-around better player."

As a member of PRCC's starting five last season, Revies complimented the talents of four veteran players, who were members of the Wildcats' South State champion team in 1997. Those four — point guard Todd Daniels, guard-forward Geremy Robinson, forward Wylie Kirby, and forward Marcus Mackey — have since gone on to senior college careers. Daniels is now at Northeast Louisiana, Robinson is at Hawaii. Kirby is at McNeese State, and Mackey is at Southeast Louisiana.

"Those four guys were averaging a combined 60-plus points a game, but we won't be able to put up those numbers this season," Mathis said.

Mathis says look for Mississippi Gulf Coast and Southwest to be the powers of the South Division this season.

"But you can't rule out Jones or Co-Lin," he added. "Both of those schools had great recruiting years. Hinds could also figure into the mix."

The Wildcats' new assistant coach, Mike Smith of Hattiesburg, has been a big plus to the program.

"Mike would be a great asset to any program," Mathis said. "He has major college and professional experience and is an excellent detail man. He watches a game differently than would and can instruct players on techniques during a game situation."

Lady Wildcat Basketball

1997-98 LADY WILDCATS — (In alphabetical order) Jasmine Baldwin (31), Datishella (Punkin) Byrd (35), Naketa Countee (21), James Coward (student coach), Eva Evans (manager), Jana Jenkins (15), Chris Ann Magee (34), Norma Noel (32), Alania Pendarvis (30), Jessica Shanklin (11), Collette Sibley (12), Leigh Slocum (22), Tammy Swain (25), Missy Wheat (20), and April Wilson (24).

Head Coach Polly Kirkland

POLLY KIRKLAND IS OPTIMISTIC as she enters her 12th season as coach of the Pearl River College women's basketball team.

While Kirkland's 1998-99 unit will be steeped in youth (eight of her 12 Lady Wildcats are freshmen), she touts starting guards Jessica Shanklin of Baton Rouge, La., and Nichole Hearns of Miami, Fla., as "two of the best in the state."

Shanklin, a 5-6 sophomore who prepped at McKinley High, returns to the starting point position, while freshman Hearns "can be a big time scorer in this league," Kirkland said. Hearns played at Edison High with Lady Wildcat sophomore Norma Noel, a starter a year ago who has been hampered during the preseason with stress fracture.

"Jessica started off like a gangbuster," Kirkland said. "With the addition of Nichole, we should have a solid shooting tandem."

A year ago, Shanklin averaged 11.9 points, 5 assists, and 4 rebounds and "has really stepped up to the plate in a leadership role," Kirkland added.

"Her all-around game has improved greatly. If she maintains this level of intensity, she'll be a definite All-American candidate."

Shanklin will be relied on to take up the slack left by the departure of 6-1 forward-center Datishella *(Punkin)* Byrd, a two-year starter who now plays for the Clemson Lady Tigers.

"The loss of Punkin is about as major as you can get as far as points, rebounding, and leadership are concerned," Kirkland said. "Who'll step-up and fill her shoes? Nobody . . . her shoes can't be filled, but we're relying on Jessica to be our leader and she's doing just that."

Kirkland says Hearns "gets a lot out of her 5-6 frame.

"As a freshman at Edison, she was the MVP of her undefeated state championship team," Kirkland said. "She tore her ACL her sophomore year and had surgery, but reinjured it her junior year. But she has played right through it. To succeed, we've got to get our new people to step-up. Nichole has already done that."

Noel, a 5-11 sophomore forward, who averaged 16.5 points and 7 rebounds a game last season, will have to play through pain, says Kirkland.

"The doctors have told her she can play, but it could be a tough year," Kirkland said. "A stress fracture is something that doesn't completely heal over night. The pain just won't disappear, but she wants to play and we're going to let her."

Sophomore forward Alania Pendarvis (6-0) out of Forrest County AHS has "improved her game 15 times over last year.

"Even though she saw limited playing time behind Punkin last season, she performed well," Kirkland said.

"But this year, as a starter, she's not even the same player. The opportunity will be there for her to show the state what she can do."

Guard Jana Jenkins, who was recruited out of FCAHS along with Pendarvis, will see plenty of reserve duty at guard. Kirkland tags the 5-4 sophomore *Miss Hustle.*

"Jana has lots of heart and is one of the scrappiest players on the court," she said.

Back Row: Leigh Slocum (MGR), Emily Rouse, Alisha Lenoir, Carrie Thornhill, Jessie Thompson, Jessica Fiveash, Alania Pendarvis (MGR).

Coach Laurie Neelis

LAURIE NEELIS ISN'T MAKING ANY BRASH predictions about her fourth edition of Pearl River Community College Lady Wildcats softball, but she says *"team chemistry"* is the main ingredient in success and her 1999 team has plenty of it.

A year ago, the Lady Wildcats finished second in the South Division and fifth in Region 23 with its 22-24 overall record. Even though PRCC is steeped in youth this season, Neelis hopes 1999 won't be a *"roller coaster ride like last year."*

"We'll be mighty young with only four sophomores (infielder Jessica Fiveash and outfielders Jana Jenkins, Carrie Thornhill, and Alicia Lenoir) and we may not have as much natural talent as we did last year, but the team chemistry is much better," Neelis said. "I feel like that chemistry will make-up for any lack of talent and experience we have. That chemistry was evident through in the fall when we would fight back and win games that we were losing."

"Heart, determination, and knowing how to win can carry you a long, long way," she continued." Last year we were away too inconsistent. We would get 15-16 hits one game and play terrific defense, then turn around and get only 4-5 hits the next game."

And, like last season, her team's weakest area is consistency at the plate.

"Even though we didn't hit the ball consistently in the preseason, our girls really surprised me back in the fall. We're going to be a much better team than I expected. Defensively, we'll be very solid, particularly in the infield."

Ten players are gone from last year's squad, including A. J. Holmes, Jaime Massie, Missy Wheat, Jessie Thompson, Rolanda McGough, Chris Ann Magee, Becca Dupuy, Brandi Scheurmann, Emily Rouse, and Jennifer Alsobrooks.

Fiveash, an All-State third baseman who batted .485 last year, is expected to step-up and be the team leader. She can play any position on the field.

Neelis says freshman Traci McMichael, a member of the PRCC women's basketball team, will be late in joining the team late, but should have a lock at short.

"Tracy's quick as a gnat and very athletic," Neelis said. "We just have to wait and see, but we'll be solid at those two positions."

Last season, Jones Junior College won the State-Region 23 title, followed by Copiah-Lincoln, East Central, Northeast, and Pearl River.

Neelis expects a similar scenario this season.

"The South Division is much stronger year-in and year-out than the North," Neelis said. "And I look for Jones, Co-Lin, and us to be right in the thick of things. With only the top four teams from the South able to make the postseason, there will be a couple of teams from down here that will be sitting at home while an inferior North team is the state tournament."

Coach Camille Soulier

BY AARON SONES
PRCC SPORTS INFORMATION

YOUTH AND IN-experience . . . two simple words that best describes Pearl River Community College's men's and women's tennis teams for the 1999 season.

But that doesn't mean *The River* won't be in the thick of contention this season . . . second-year coach Camille Soulier can attest to that.

"We play and we practice with a lot of class and desire," Soulier said. "My players' efforts in practice have been exemplary. They say practice makes perfect and if that's any indication, we'll be A-OK this season."

Both squads suffered key losses last year. All six members of this year's women's team are rookies, while the men have only two returnees in Nando Lopes of Carriere and Joey Sumrall of Sumrall, who redshirted in 1998.

But Soulier says youth also has a positive side. She has taken her inexperienced group under her wing and personally molded them into players that play and compete her way and should compete with the best.

"I want my practices to be fun and conduct them like matches," she said. "That way, when real competition starts, it will be fun. My kids really enjoy practice and match play."

The Lady Wildcats have seen improvement since opening preseason workouts in January, while Soulier is optimistic that even more improvement if forthcoming for her more seasoned men's team.

Depth shouldn't be a problem for PRCC.

"Although we're going in with mostly freshmen, we actually have more depth than last year," Soulier said. "If we can control our emotions and not fire errant shots on the court, we should have a solid year."

Front Row: (L-R) Tiffinie Kodrin, Dena Day, Jenny Curtis, Sheila Fletcher, Janna Curtis. Back Row: (L-R) David Watkins, Derrick Brown, James Phillips, Joey Sumrall, Armando Lopes, Jared Hester, Eric Jarvis, Tom Huck.

Coach Mike Humphreys

IN 1995 AND 1996, COACH MIKE HUMPHREYS' Pearl River Community College Wildcats were the *"top dogs"* in Region 23 Division III golf circles.

But a lack of depth the past two seasons resulted in a runner-up spot in 1997 and a No. 4 finish a year ago. With only four players on the roster this year, Humphreys' squad also lacks depth, but good things may be on the horizon.

Returning All-Region 23 player Shawn Ferguson of Picayune missed All-American status by two strokes a year ago, but finished in the top 22 at the National Tournament in Vass, N.C. He hopes his sophomore season will end with another trip to the nationals this June.

In the 1998 Region Tournament, a four-round event held at Woodlake Resort Golf Club, Ferguson finished fourth with rounds of 79, 84, 85, and 76 for a 324.

"Shawn is our top guy," Humphreys said. "If he can take up where he left off last year, he'll be back at the nationals."

His talents will be complemented by a trio of freshmen — D. J. Pulley of Sumrall, Brian Lee of Petal, and Travis Orgeron of LaRose, La.

"Those three are inexperienced on this level of play, but have outstanding abilities," said Humphreys. "We're not lacking in ability."

Pulley is a solid long ball hitter and has the potential to be one of the better players in the region, says Humphreys, "and has a good head on his shoulders. He doesn't get rattled . . . that's important."

Lee and Orgeron are following in their older brothers' footsteps here at *The River*.

Lee's brother Anthony was a member of 1996's championship team as a freshman and was a national qualifier the following year.

"Brian is a steady player that will provide depth. That's something we didn't have last year," Humphreys said. "He was a member of Petal's state title team last season."

Orgeron's brother, David, was a Wildcat both championship years and was a national qualifier in 1996.

"Travis competed on numerous junior circuits during the summer months and gained valuable experience," Humphreys said. "All things considered, I feel we're a solid team."

Left — Table-top pyramid

Billy Temple

The cheerleader sponsor for the last two years has been Mr. Billy Temple. Billy is originally from Magolia, MS and a graduate from the University of Southern Mississippi in Sports Administration. He was brought here to PRCC in July of 1996 as the cheerleader coach, Sponsor, and Director of Student Activities.

Randy and Melilli and Myndi Kuhlmann were chosen as the 97-98 squad captains and led the squad to the UCA Cheerleader Competition at the University of Alabama where they received the top honor of "Best Cheer Squad" in Division 3-A Jr. Colleges.

PRCC's cheerleaders doing pust-ups for each point scored against arch rival MGCCC (Perk).

Angie and Leslie were exhausted after the Hinds game.

W. C. Wildcat Rivers

Your 1997-98 Mascot "W. C. Rivers" was Clint McPhail of Oak Grove. Clint attended UCA Cheerleading competition at the University of Alabama and placed fourth. He competed against thirty other mascots, including the University of Southern Mississippi's Golden Eagle, who placed fifth. Clint (W.C) could be seen shaking his tail at such events as football and basketball games, Welcome Back Parade, Fall Fest and the Fall Games. Good job, Clint!

1999 Cheerleaders

Cheering On The Wildcats

■ PEARL RIVER COMMUNITY College's cheerleading squad enters the 1998-99 school year with a new director in Sandy Smith (inset photo). She is a former cheerleader at the University of Southern Mississippi in Hattiesburg, where she earned her bachelor of science degree last spring in human performance and recreation. She is a native of Byrum. Her group competed in the Universal Cheerleaders Assocation's College Cheerleading Camp this summer at Ole Miss and placed third in the cheer and fight song competitions. The squad received a "superior" rating. The squad consists of mascot W. C. Rivers (Front, Tom Huck of Picayune), (L-R, Front Row) Robin Kelley of Poplarville, Karen Wheat of Hattiesburg, Trinity Adam of Pass Christian, Anna Edmonds of Poplarville, Amber Smith of Poplarville, (Back Row) Eric Newsome of Columbia, Beau Wiltshire of Poplarville, Wendell Humphres of Bay St. Louis, Trai Thompson of Picayune, and Jared Baucum of Picayune.

SGA

Pearl River Community College's Student Government Association elections for the 1997-98 school year were held the fourth week of September, and the voters were the students themselves. The qualifications PRCC students must meet in order to hold office are: (1) the student must have a 2.00 GPA or higher, and be in good standing with the college. (2) Freshmen students must have a 2.00 GPA or higher from high school and be in good standing with the college. In April the student body elects a SGA president, vice-president, and a secretary-treasurer for the next school year. The students elected to these positions must be from the present Freshmen class.

The membership of the SGA is divided up into three sections. The first part consist of the SGA president, vice-president, and the secretary-treasurer. The second is made up of four sophomores out of which is a president, vice-president, and two representatives. Third is made of four freshmen also containing a president, vice-president, and two representatives.

The SGA is not just a figure head. They are actively involved in the going's on at the River. The purpose of the SGA is divided up into six parts: (1) to promote the general welfare of the college. (2) To promote extra-curricular activities of the student body and to develop and maintain school spirit. (3) To create and maintain standards of good citizenship among its students. (4) To create opportunities for closer cooperation between students and faculty. (5) To aid in the enforcement of the rules made by PRC (serve on various assigned committees). (6) To plan and supervise student elections on campus.

SGA OFFICERS — (L-R) Michelle Welch, Vice-President; Thania Aguilar — Secretary-Treasurer; April Maddox — President.

Association 1997-98

FRESHMAN CLASS REPRESENTATIVES — (L-R) Monica Courtney — Vice President; Stephanie Spiers — Representative; Clint Livingston — President; Alisha Smith — Representative.

Ted J. Alexander was named the ninth president of Pearl River Community College by the institutions Board of Trustees at the March, 1986, meeting and he assumed office on July 1, 1986.

Dr. Alexander had been Superintendent of Schools for the McComb Municipal Separate School District for the previous ten years prior to assuming the presidency at Pearl River Community College.

After graduating from Central High School in Jackson, he received his Master of Education degrees in Educational Administration and Guidance from Mississippi College and the Doctor of Education Degree in Education Administration from the University of Southern Mississippi.

Because of Dr. Alexander's determination and vision, Pearl River now operates the most modern Allied Health Center and offers the state's only Occupational Therapist Assistant program. Also, the River now has a state of the art Nursing and Wellness Center believed to be the only one of its kind in the country.

Through Alexander's guidance, the college has established a very active Grants and Research Department which generated more than $20 million since 1989 and a foundation that has raised more than $2.5 million dollars from private sources.

Dr. Alexander was recognized in 1996, for his contributions to education in Mississippi when he was presented the *Golden Lamp Awards.*

The Mississippi Association of School Adminstrators selects people who have made outstanding contributions and impacts on the education of students in Mississippi. They thought Alexander was a great candidate due to the fact that over the past ten years in his presidency Pearl River's enrollment has doubled and the college has constructed or renovated 400,000 square feet of space.

Dr. Alexander has also received the Edward J. Ransdale Instructional Television Award and the Outstanding School Administrators Award. Alexander had also been recognized by the John F. Kennedy Center for the Performing Arts for his contributions to arts education.

Alexander serves as the Mississippi lay representative on the White House Conference for Library and Information Services Task Force and is on the executive committee for the Mississippi Association of Community and Junior Colleges, and chairs the Finance Committee for the Mississippi Comunity College Foundation.
